Pam,

Good morning, I was going to speak with you this morning, but you were with Lisa and I did not want to interrupt you. I was wondering if you could add the following thank you in your next CPCA email, newsletter or on the website:

The Law Enforcement Torch Run for Special Olympics CT would like to thank all the Chiefs and their officers for raising \$560,000 for our athletes this year. All the money raised goes directly to our athletes so that they can participate in state games and social events all year long. Thanks to you, our athletes are not excluded but included within our communities.

Thank you and happy holidays!!
